Course Profile

BACHELOR OF BUSINESS ADMINISTRATION

COURSE TITLE: HUMAN RESOURCE MANAGEMENT

COURSE CODE : MGT-405

Description

This course is designed to inform students about basic concepts and topics in human resources management (HRM). The course has two goals; firstly, To increase student's knowledge of strategic and tactical uses of HR practices and policies - particularly those that increase organizational productivity and return on HR investments and secondly, to develop student's skills in the following areas and priority: (1) critical thinking; (2) written and oral communication; and (3) teamwork.

Course Objectives

The management of human resource has changed significantly during the past decades. New approaches are applied to handle the diversified human resource in modern organizations are made up of "Person (human), and "material, that need a knowledge and skill to put them in the best possible formation for higher productivity and employee's satisfaction. This course is designed to focus more on the management of human (employees) side of the organization in term of their recruitment, maintenance, and chosen to introduce the students to general management whose job inevitably will involve responsibility for managing people along with organizational assets.
