

	Mid-Term
Lecture -13	Algorithmic cost modeling
Lecture -14	Function oriented metrics
Lecture -15	Algorithmic cost modeling
Lecture -16	Size oriented metrics
	Assignment/Presentation
Lecture -17	Size oriented metrics
Lecture -18	Risk analysis
	Class Test
Lecture -19	Risk management
Lecture -20	Software project organisation
Lecture -21	Quality assurance
Lecture -22	Management and communication skill
Lecture -23	Software support tools
	Class Test
Lecture -24	Overview
	Final Examination

Textbooks: Software Engineer's Reference Book by John A. McDermid
