Requirement of assignment, class tests and presentations

It is expedient that there will be two presentations for a course: one before the mid-term test and another before final examination. Each assignment presentation will carry 5 marks. In addition, as usual, the practice of four class tests (two before mid-term test and two before final examination with 5 marks each) will continue to remain unchanged. Assessment components are as under:

Item/activity	Marks
Work Sheet (including class attendance, 4 class tests)	25%
Assignment & Presentation (two)	10%
Mid-term test	25%
Final examination	40%
Total	100%
