Ans to the Q no - 1

While teaching reading we should observe the following principles. Encourage students to read as often as and much as possible.

The more students read the better.

"Teaching the author is an excellent technique for meaningful ~~and~~ cognitive interaction with the text and for assisting the students in the process of constructing meaning from the text

In the way, the premark principle can be used in a classroom settings. Teachers who know their students well can give partic

specific rewards to ~~to~~ specific students based on the activities they know those students will enjoy. The Premack principle can also be used by individuals to help them motivate themselves.

### Ans to the Q no-2

Handwriting is writing done by hand with a pen, pencil, digital stylus, or another instrument. The art, skill, or manner of handwriting is called penmanship.

Handwriting in which successive letters are joined is called cursive script. Handwriting in which the letters are separated is called manuscript style or printing.

At York, "advanced secondary studies" refer to standardized qualifications or studies that offer students an opportunity to study in an academically challenging program or courses to prepare them for post secondary studies. Programs or courses completed with specific grades or averages are eligible for transfer credit. Senior secondary education is the higher level of secondary education.

Aims like 8 no - 3

page-4

Listening activities offer great opportunities to teach new words or review vocabulary previously taught. Here, the purpose is to identify and remember a series of words, which are usually easily categorized like types of food, sports, animals, etc.

If students speak out loudly and clearly, but make a mistake, praise them just for speaking out. As students improve, you can focus on the most outstanding successes. The more you encourage the more students will try to speak.

Ans to the Qno-4

What are 'supplemental' books? At times, students may need to purchase "supplemental books or course materials in addition to any required text rental books. These additional purchased items often include lab manuals, workbooks, specific topic course books, etc.

A rubric is an assessment tool that clearly indicates achievement criteria across all the components of any kind of students work, from writing to oral to visual. It can be used for marking assignment, class participation or overall grades.
