If a time death with a dif difficult employe what will I do that time:

I believe any difficult situation can be handled by keeping a calm mind.

The first step is to know the root cause of the problem and then do the needful to solve the problem. Reaching out to your seniors & friends who have faced similar situation and taking their solve the problem by self work who knows we find out an innovative way to solve the problem.

- ① Describe the situation
- ② Explain the problem
- ③ Detail the steps you took to rectify the issue

Ans to the que no-9

Give some employees who have the ability to work together some points are below here about their ability

- ① Communication, communication is the foundation of effective teamwork
- ② Time Management
- ③ Listening
- ④ Critical thinking
- ⑤ Collaboration
- ⑥ Leadership

Ans. to the Que. No-5

I preferred to teamwork because

Below here: I feel more motivated when I work with a group ideas off of. I find that one person can say something that jogs your mind and prompts you to come up with a ~~compr~~ completely ~~AM~~ new creative thought or idea. I enjoy that kind of experience plus I feel that everyone has something different to contribute to an effort has something different to contribute to an effort because well all come ~~for~~ from such diverse backgrounds.

~~And~~

And that's why I preferred to work with te
