My father is my strength who support me at every stage of my life.

I can not imagine my life without him.

My father like a guiding light who take me to the right path whenever I get lost.

My father is the one who works outside.

He is a kind human who always helps out my mother whenever he can. He

is loving man who helps out the needy

too. My father is a social person who interacts with our neighbours too.

Moreover, he is an expert at maintaining

Even though he is a busy man, he always finds time for me. We spend our offdays going to picnic or dinners. I admire my father for doing so much for us without any complaints. He is a popular man in the Society as he is always there to help others. Whoever asks for his help, my father always helps them out. Therefore he is well-known man and a loving father whom I look up to. I love him very much.
