Course title: History of English literature

Course code: Eng-418

Answer to the question no:2

Beowulf is a famous literary item of the Anglo Saxon period. The Anglo Saxon period has lots of importance, because in this period there are some of the literary creation like the epic Beowulf. The Anglo Saxon period of English literature is also called the Old English literature period. The Anglo Saxon period of Britain existed from the mid 5th century to Norman conquest of 1066. The Anglo Saxon period is also a revolutionary period of the artistic creation in the history. There are lots of genres such as epic poetry, hagiography, sermons, Bible translations, legal works, chronicles, riddles and others are widely developed in the Old English literature period or Anglo Saxon period. In the Germanic heroic past the Anglo Saxon English poetry sought the most valuable attention. The Beowulf which is in three thousand one hundred and eighty two lines which appears in the damaged Nowell Codex. The legendary hero Beowulf is the title character of the epic Beowulf. The place setting of the epic Beowulf is Scandinavia which is in Sweden and Denmark we can consider it as a Scandinavian origin. The epic poem Beowulf's story is biographical and sets the tone for old

English poetry. The historians, anthropologists, literary critics and the students of English literature all over the world has the interest on Beowulf. It is considered as the same level of the illiad. Beowulf is the longest epic poem in the old English literature. Beowulf is a medieval manuscript. The manuscripts of Beowulf bears no date ,but date is considerable basis on the types of scribe,writtings and depends on the hypothesis and research of the literary expert and the critics. According to the opinion of some scholar the manuscript was made at the end of the 10th century. Some of the experts opinion say that the manuscript was made in the early 11th century and which say that the manuscript is one thousand years old. There are lots of opinion on the origin of the manuscript but the rean scenario is nobody knows when the manuscript was composed frist.

The Beowulf is a epic poem which describes the heroic man of the anglo saxon times. The characterietics need to be a hero most of them is present in the personality of Beowulf. He is able to use his extra ordinary strength and mental power to save the innocent people and himself. He never fears of death and being injury and encounters many moonstars and horrible beasts. He has a outstanding skill of leadership and he knows a how to boost his capability in a better way. In many times he fall himself in risk for the wealfare of his people and he succeed. Through his amazing physical strength his is a anglo saxon epic hero to his fellow men. He fought in many battles. The king of geats who is uncle of Beowulf and he is sent to get rid of Grendel the dance. In the reality Beowulf risks his own life and save many of the people. in the beowulfs life he realizes the danger but he did not fear about his own life. He has taken the risk meaningfully because from his perspective his fellow mens life is meaningfull to him. After serving his people as the king of geats for fifty years in the last time he goes to a

fight with a horrible dragon frightening all of his people. Beowulf is old but he tried his level best to save his people.

Beowulf not only swimming for seven nights, in the depth of the ocean he has also stopped to kill nine creation. He is also strong enough to kill the monster really. The main positive side inside of Beowulf's mind he has lot of love and affection for his fellow people. we know to be a hero anyone needs lots of muscle power in the body, in the Beowulf's body there are lots of power. We can see that Beowulf is a super human who killed the negative force like Grendel to save the innocent people. Fearlessness is an important part of heroism, we can see real fearlessness inside the character of Beowulf.

Do we know, how people perceive the word hero. The person who works for the humankind is a real hero. When a nation or a community feel danger with their lives and wealth and happiness, someone comes to save the community or nation. We can see it all over the world. Beowulf is a historic example of a hero who works for the country men and the nation really. Beowulf is not only an Anglo-Saxon hero, he is also an inspiration of a leader, policy maker and of a kind person.
