Answer to the question no:1

Sophocles was an Greek tragedian in ancient time. The features of Sophocles tragedy are Oedipus and Antigone. Sophocles had written over 120 plays.

Electra who is an most important character of the Greek Mythology. The father of electra was king agamenon and mother of electra was Queen Clytemnestra. Electra is known for having helped her brother orestes avenge their father death. The story of electra portrayed in many of the Sophocles plays .

The ancient greek word Elektra is the source word for electra. The meaning of electra is aber or brightness. Electra was an human figure in the myths and she played important role. Electras family was popular for its drama and conflict, and the story of electra is a representative work of classical greek literature. In the greek mythology electra was the daughter of king agamenon, agamenon was the king of Mycenae. Agamenon was the leder of greek troops also in the Trojan war. Electras mother was Clytemnestra. Clytemnestras daughter was the king and

queen of Sparta. Electra had a brother and another two sisters. Iphigenia and Chrysothemis were his sisters and his brother was Orestes. Orestes has a wide range of relevance in Greek mythology. Orestes is mostly relevant for taking revenge of his father's killing.

The role of Electra is very important in Greek mythology. She has a special relevance in Greek mythology. Electra is portrayed in different ways in Greek mythology. When the murder of Agamemnon happened she appears in the plot. She helped her brother Orestes to take the revenge of her father's killing by killing their mother. The character of Electra is popular in Greek mythology for taking revenge and loyalty also.

Several authors inspired by the character of Electra in their works. Sophocles wrote a tragedy with the title of Electra. The main theme is the revenge against Electra's mother of her father's killing. Revenge, loyalty and responsibility is the prime theme of the tragedy Electra. Sophocles also created a reflection of the relation between the parents and children.

There is a tragic story in Greek mythology which is the murder of Agamemnon. Agamemnon was a popular king and well respected king in the time of Trojan war. There is a cruelty of Agamemnon's character also. When he started the way for the war he sacrificed his daughter Iphigenia to the gods so they can go safely to the battlefield.

When Agamemnon was fighting in the battlefield of the Troy that time Agamemnon's wife fell in love with the king's own cousin. When Agamemnon returned from the battlefield then Clytemnestra was angry

with agamenon for sacrificing their daughter. The cruelty inside of agamenon make queen very anger and she demand her hearts decision. Then shen and her lover set a plot to kill agamenon for make their way easier . orestes and electra refuge in Athens . orestes consulted the oracle of Delphi when hes was twenty years . there he was told to take revenge of his fathers death. With his sister he went back to Mycenae and they plotted against their mother. With the help of pylades orestes managed his mother and her lover successfully. In that time Clytemnestra cursed orestes .
